### Watercolors at Bumpus

The Helen Bumpus Gallery on the Main Floor of the Duxbury Free Library will be exhibiting watercolors by Cohasset artist Patricia McCarthy from September 1 through the end of October, with an opening reception on September 7 from 6:30-8 p.m.

McCarthy, a graduate of the Art Institute of Boston, states: "I consider myself an outdoor or plein air painter. My best work is done when I am emotionally drawn to a subject or a scene...Painting on location is exciting because I can become one with the subject matter...I love the wind and the smell of the sea or garden and am able to respond with more emotion and freedom than working in the studio."
